Fabric Types

Please make the following alterations to standard clothing size:

Coolmax	Most popular fabric for cycling tops; breathable
Minerva Drystorm	Water repellent, breathable, maximum wind resistance used for Rain Gillet and Long Sleeve Rain Jacket
Napoles	Lightweight outerwear
Atlas Dry Storm	Thermal, water repellent, breathable, maximum wind resistance used for Winter Gillet and Winter Training Jacket

NB – prices based upon quantity of main garments ordered falling between 13-49; may be small additional sum to pay (or refund) dependent upon size of order
- need minimum club order of 13 pairs for socks
- the armwarmers and socks look good – armwarmers have continuation of sleeve design rather than single colour
