TIMEKEEPERS: John Nicholson

RECORDER: Sharon Fensom

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the Event Promoters strongly advise you to wear a **HARD SHELL HELMET** that meets a recognized standard.

CTT recommend that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.

Roundabouts

Whichever of the above courses is used roundabouts are a significant hazard, at some points in time the marshals will have riders entering from different directions and may not be able to pick out which riders are on which part of the course. It is **your responsibility** to negotiate the roundabouts safely and be aware of the correct route

The number shall be centrally positioned below the waist so as to be clearly visible from the rear when in his/her normal riding position.
