

Our Heckington Riders (minus Darcie, the youngest to be racing, who had left to go to ballet classes before returning to the Show!)

Well done to all of our riders - we had two full teams and four 'extra' riders. Despite having none in the oldest age category we still managed to get second place, so look out Witham, Boston, Spalding and Bourne in the next couple of years when our young team will be that bit more experienced.

Cyclo Cross - yes, it's that time of the year once again when rides can get a bit cold and muddy - but still be fun. A full programme of Lincolnshire Cycle Cross events has been produced. If you want to compete in the Lincs League you need to register on-line **by 17th September** to be awarded points, although you can still ride individual events without registration. Make sure you check full racing details at: www.lincscyclocross.com. Entry fee for U-12 is just £2; for Youth riders (U-16 and U-14) it is £5 but you also need a BC licence - or pay an extra £3 per event. The League results are based on your best 5 races. Why not have a go?

Term Dates

Our Tuesday evening sessions continue as usual (as long as coach availability and the weather permits!). Remember as the evening light fades the sessions for the older children will reduce so they too finish at 7.30pm - we will let you know when the changes take place. Don't forget your lights as it gets darker, or jackets to keep warm.
