Firstly congratulations to all prize winners including Mark who again takes the Nev Crane Memorial Trophy home, having lent it to Jim Boyle to take care of for a year.

I am sure Nev would have been proud to see the performances put up in this the 3rd edition of his Memorial Event. A fantastic ride by Wayne on a course with a surface that in several places leaves much to be desired. Arguably his time is the quickest ever recorded on the roads of Lincolnshire. 94 entries, a little down on last year but still up there. 21 riders inside the hour in the County. Any old hands remember anything better? 14 ladies too. That may not have happened often either, if at all. Great to have so many riders visiting the event or even a Lincs course for the first time. Hopefully we will see you all again next year. Let your mates know what a fine time you had and just maybe that coveted Full Field will Happen. Pie in the sky? Well it happened back in May in Kent after 27 years of trying for my other club. The County had not seen that since 1978. So where can we find the other two dozen entries?

It was a pleasure to have our President Jean Crane at the HQ to present so many awards. Still a few to send out. Also to Nev's daughter Teresa at signing on. The Little Hale Tea Ladies, Barbara and the two Jeans as usual performed well. Other help came in from Terry and Jim at the Start. At Osbournby Rbt, Ron, Roy, Kathy and answering a late call for help Dennis Crew of the Boston Wheelers. At Quarrington Rbt, Brian, Brian West, and Tony. Also to Denise on the other end of the phone. Help too came from John of the Delaune CC in placing out the signs. A big thank you to you all.

But where would we be with out the Timekeepers? Once again Lincolnshire Wheelers Steve Walker performed a solid job along with his ever present recorder Keith Barnard. For the first time in some years the Sleaford Wheelers provided one of their own with Laura dipping her toe in the water for her very first Open.

I would like also to thank all of the dozen or more clubs that allowed me to pepper their website forums. Very helpful indeed.

The Sleaford Wheelers are most grateful for the help given to this event by Chandlers of Grantham and Newman Moore of Sleaford Ltd. Without them this wonderful list of awards just would not have been possible. I am sure that the Ladies have never seen such rewards before. If you are thinking of buying a car, some farm equipment or need a building job done then they are the people to talk to.

If I have missed any one out, then please consider your self included.
