

Go-Ride Christmas Party

Congratulations to all of our trophy winners last month, they were well earned. And I hope everyone enjoyed the evening, and all come back next year. If you would like to see the photos from the evening please follow this link: <https://photos.app.goo.gl/R8NlyVUW4beyq8U62>

Cyclocross- This year saw the mighty SWCC youth team partake in the Lincolnshire cyclocross league again. In the U16 boys we had Samuel Laird who finished 8th in the series with his results improving throughout the season. In the trophy day series Samuel Laird managed to finish the season in 3rd place, great work Sam! Luke Issitt finished 6th in the league and 10th in the trophy day series. Luke had some poor luck in the trophy day series but still had a great best race result of 2nd place. Finally in the U16 boys was Samuel Howes. He finished 2nd in the League and participated in the National trophy day series, with his best result being 25th. Samuel missed out on 1st in the league by just 4 points, good going Samuel! In the U14 Benjamin Leroy raced as hard as he could, achieving joint 6th place in the league. The U16 girls saw many riders race. Abigail Saggs was unable to race enough of the races to place as high as she could have, but she has been attending the Ladies cyclocross rides and is flying. Mia Mawson finished 8th in the league, and 6th in the trophy day series, each race aiming to be faster than Kevan. Elise Hatton finished 5th in the League. Both Elise and Mia now have the senior race to look forward too as they both move into the Junior women category next year. Finally in the U16 girls is Amie Hatton who finished 3rd in the League and 2nd in the trophy day with two race wins. She finished 2nd in both category's in the U14. Fantastic racing Amie! There were loads of U12's racing and each and every one of them were superstars. A special well done to the following: Felix Earth for finishing 5th in the league and 6th in the trophy day. Thomas Cragg for finishing 6th in the league and joint 4th in the trophy, racing people far older than him! Isla Earth for finishing 4th in the League and joint 2nd in the trophy day series! Brilliant racing everyone! Credit: Tom Howes
