

GO-RIDE and EVENT PHOTOGRAPHS

When registering your child with Sleaford Wheelers Go-Ride most parents/guardians did not state that photographs of their child should not be taken. Under Data regulations we cannot include any person's photograph without their (or their parent/guardian's) specific consent. With the update of a new SWCC Website, Go-Ride are wishing to take some coaching photographs for their social media and also at events coming up throughout the year (MTB series, Grass Track series, Youth Criterium races, Lincolnshire cycle-cross etc).

Would all parents/guardians please let myself or Sally Cragg (Go-Ride Welfare Officer) know their wishes concerning their child's photograph appearing in publicity material or on our Club website by signing and returning this form (please complete a separate form for each child). We would not want to have to exclude a group photograph (or indeed a child from such a photograph) simply because a parent/guardian had not responded.

Please note:

1. No child's name will be included without our first asking for your consent.
2. Photographs will be used to promote the Club, Go-Ride and events only and will not be used for marketing purposes
3. If you do not wish photographs of your child to appear this will of course not affect their event entry, or inclusion in any Go-Ride activity, in any way

Thank you, Dennis Owen, Go-Ride Chairman
